R Series - Distinctive Features:

- ✓ Designed to roll out dough for the preparation of pizzas, bread, pasta, flat loaves, cakes and others, of various forms obtaining the thickness and diameters required.
- ✓ The machine has been produced with specific materials designed for contact with food products (the parts in contact are in stainless steel) and it is run by a monophase motor.
- ✓ Reduces labour and ensures consistency with the ability to adjust the thickness of your bases.
- ✓ Heavy duty Stainless Steel (AISI) Grade 304 construction and chassis with bottom weights for extra stability during heavy usage.
- ✓ Easy to use & will roll out bases in seconds
- ✓ On/off (safety switch)
- ✓ Safety guard to meet all safety standards and protect the user from the risks connected to it use.

R40M

- Single pass 400mm dough roller
- Pizza diameter 100mm- 400mm bases.
- Dough weight capacity 50g – 1000g
- Single phase 240volt (10 amp) plug 370w
- Net weight 25kg
- External dimensions: (520W x 420D x 370H)

RRP $2160 ex GST

R30E

- Double pass angled dough roller
- 300mm roller bottom Roller
- Pizza diameter 140mm-290mm bases
- Dough weight capacity 80g – 210g
- Single phase 240volt (10 amp) plug 370w
- Net weight 31kg
- External dimensions: (420W x 420D x 700H)

RRP $2390 ex GST

R40E

- Double pass angled dough roller
- 400mm roller bottom Roller
- Pizza diameter 260mm-400mm bases
- Dough weight capacity 210g – 700g
- Single phase 240volt (10 amp) plug 370w
- Net weight 38kg
- External dimensions: (520W x 520D x 800H)

RRP $2790 ex GST

R40

- Double pass angled dough roller
- Includes Electronic Foot Pedal
- 400mm roller bottom Roller
- Pizza diameter 260mm-400mm bases
- Dough weight capacity 210g – 700g
- Single phase 240volt (10 amp) plug 370w
- Net weight 38kg
- External dimensions: (520W x 520D x 800H)

RRP $2940 ex GST

R40PE

- Double pass Parallel dough roller
- 400mm roller bottom Roller
- Pizza diameter 260mm-400mm bases
- Dough weight capacity 220g – 1400g
- Single phase 240volt (10 amp) plug 370w
- Net weight 39kg
- External dimensions: (520W x 520D x 800H)

RRP $3090 ex GST

R40P

- Double pass Parallel dough roller
- Includes Electronic Foot Pedal
- 400mm roller bottom Roller
- Pizza diameter 260mm-400mm bases
- Dough weight capacity 220g – 1400g
- Single phase 240volt (10 amp) plug 370w
- Net weight 39kg
- External dimensions: (520W x 520D x 800H)

RRP $3185 ex GST
