Culinaire

Technical Data Sheet

CH.HFSAG.2.750

Hot Food Slides Heated

Angled

Product Information:

- Ideal for canteens and self serve food sales outlets for showcasing wrapped or boxed food products
- Glass ends for better product visibility
- Overhead lights for illumination
- Two overhead elements per shelf to ensure hot food is held safely at proper serving temperatures
- Shelf bases heated with specially engineered heater pads to ensure warm and even heat distribution without hot-spots
- Heavy-duty stainless steel product divider bars, adjustable in 20mm increments, can fit foods of all sizes and are removable for easy cleaning
- Individual controls for each shelf and heavy-duty on/off switches
- Individual On/Off switches operate the overhead lighting for each shelf
- Robust construction from 304 grade stainless steel with a No.4 finish
