Mobile Bain Marie Hot Cupboard

Heated

Mobile

Product Information:

- Mobile Heavy-duty bain marie hot cupboard is designed to hold pre-cooked and pre-heated food ready for serving
- Adjustable digital temperature controller allows food to be held between +65°C to +90°C (food must be heated above 65°C before being placed in the bain marie or hot cupboard)
- Wet or dry operation to bain marie (temperature varies greatly when run dry, should not be left unattended for long periods of time)
- Hot cupboard features a fan forced heating system which offers energy efficiency, faster heat up times and even heat distribution
- Top mounted easy glide doors to both sides that do not sit in a bottom track, eliminates dirt trap
- Double skinned air insulated on all sides to minimise heat to external panels
- Robust construction from 304 grade stainless steel with a No.4 finish
- Manual fill and manual empty. Valve operated waste designed to empty over a floor waste
- Supplied with 1 chrome plated steel wire shelf per door
- Bain marie suits gastronorm pans up to 150mm deep (sold separately)
- Ergonomic stainless steel handle for easy mobility of the unit
- Heavy-duty non-marking 125mm swivel casters with brakes, wraparound non-marking bumper
- Plug and lead fitted for connection to power when stationary
- Stainless steel work shelf fitted to fold down brackets can be added as an optional extra at the time of ordering. This item is required to be factory fitted
