THE RUGGERO BY EXPOBAR

When you truly want an espresso machine to stand out above the rest the **RUGGERO** is the one.

Express yourself, your colour, your design, your logo.

With a customised coloured body and a light display panel that advertises your business. Craftsmanship, quality and exclusivity…. These are the features that make the **RUGGERO** a truly spectacular espresso machine.

Exclusive to Disavè Espresso Equipment Suppliers every **RUGGERO** is hand assembled in Melbourne and custom made to order.

The **RUGGERO** was designed by John Slade in 2005 as a tribute to his late father in law, Henry Rogers.

KEY FEATURES

Illuminated signage on front of machine for maximising exposure

Hand made fibreglass body for strength and durability

Personalise colour body to suit your business

Automatic back flush program on each group

Semi automatic group switch on each group (expect compact models)

Four programmable volumetric dosage's for each group

Direct pre infusion chamber on each group

99.9% pure copper boiler with in built thermosiphon

PID technology for temperature stability – allows you to electronically control the espresso brewing temperature (multi boiler only)
